

SQUIRES LOFT

THE STEAK SPECIALISTS SINCE 1993

A steak is a piece of muscle cut from different areas of the cow.
Tenderness is affected by location of a particular cut.

A general rule is that the less used a cow's muscle is, the more tender that piece of meat is when cooked.

Muscles located furthest from the neck, legs and rear will be tender.
The more tender the cut, the higher the price.

The Squires Loft Philosophy is a perfectly cooked steak every time.

To achieve this we use graded quality beef cooked on our custom built Char-Grill using our unique baste.

Our quality beef is primarily sourced from the western district of Victoria and the lush pastures of Gippsland, renowned for producing premium grass fed beef excelling in taste and tenderness.

Victoria grown Black Angus beef is selected exclusively for Squires Loft, grain fed for 120 days, aged for 8 weeks enhancing its flavor and tenderness.
