

## THE STEAK SPECIALISTS

Since 1993, Squires Loft has been dedicated to providing a remarkable dining experience to our guests.

From humble beginnings in Brighton, to establishing ourselves in the vibrant strip of Toorak Road in South Yarra, our founders came up with a winning formula, in delivering South African flavours to Australia.

We pride our winning formula's on -

**Our Passion** - to deliver mouth-watering steaks and ribs matched with our unique signature basting, which leaves a lasting impression.

**Value** - in our partnerships with Australian producers and growers, ensuring that our products are sustainably sourced and are competitively priced.

**Consistency** - in our well-balanced menus, the quality of our wine list and the consistency of our cooking is our priority. Our customers identify with our unique flavours & hospitality.

The secret to becoming an institution over the last 30 years, has been that we have always emphasised the principle of KISS (Keep It Simple Steak) and having an unrivalled flavour profile, is what makes us the 'Steak Specialists.'
