Squires Loft®
E.S.T 1993

THE STEAK SPECIALISTS

Since 1993, the Squires Loft brand has been built around two things we're passionate about — great hospitality and a perfectly grilled steak, every time.

For more than three decades, our guests have returned to create memories, celebrate together and enjoy the unmistakable flavour that defines Squires Loft.

Our iconic signature baste, combined with our specialised char-grill cooking technique, creates the distinctive taste that has become synonymous with our name.

We are obsessive in our pursuit of the perfect cut. Our menu brings together premium Australian grass-fed and grain-fed selections, with every cut chosen to deliver the Squires Loft experience our guests have come to know and love.

Now, about those ribs...
More than 30 years around the char-grill has taught us a thing or two. Slow-cooked until beautifully tender, finished over our char-grill while continually basted, our ribs have been perfected over decades to create a flavour that's unmistakably Squires Loft.

Legendary Steaks. Unforgettable Ribs. Since 1993.
